GARMENT CARE

CLEANING

Pressto's wardrobe care & dry cleaning service is a boutique concept that ensures personalized attention for every garment. Our in-store operations are equipped with advanced tools, including a state-of-the-art spotting cabinet & 7 enzyme-based spotting agents for effective stain removal. For stubborn stains, we employ cutting-edge technologies like the ultrasonic & steam gun.

PRESSING

Using top-quality tools, we manually steam your items to reach every nooks & corner of your garment on a pneumatic board for perfect results.

ALTERATION & DARNING

Our experts perform precise repairs & alterations, fixing hems, making adjustments, & mending holes flawlessly.

EXPRESS SERVICE

At Pressto, we offer a swift 2-hour express service without compromising quality. From detailed cleaning to expert care, your garments are ready to dazzle.

SHOE/BAG/LEATHER CARE

CLEANING & POLISHING

At Pressto, we use imported cleaning solvents, machines, & equipment to ensure premium care. Our craftsmen meticulously clean every detail, from soles to metal rims & laces, followed by polishing with our 222-color palette for a flawless finish.

REPAIRING

Our expert team meticulously removes worn soles, replaces them with new ones, & uses high-quality adhesive for a secure bond. We also offer a range of colored, hand-carved heel tips to add a personalized, stylish touch.

RESTORING

We restore leather's original lustre, treating cuts & scratches with precision. Using our custom-blended, 16 base-color palette & a premium finishing spray, we bring your bag & shoe back to its former beauty.

RECOGNITION

Pressto India was honoured with the "Great Place To Work" award in 2023, standing alongside HDFC among a select group of 50 awardees from thousands of nominations. Pressto has also received numerous recognitions from RAI, ET, and the Governor of Maharashtra.
